4 Winter Word Search Puzzles

Large Print · No Backwards Words · Solutions Included

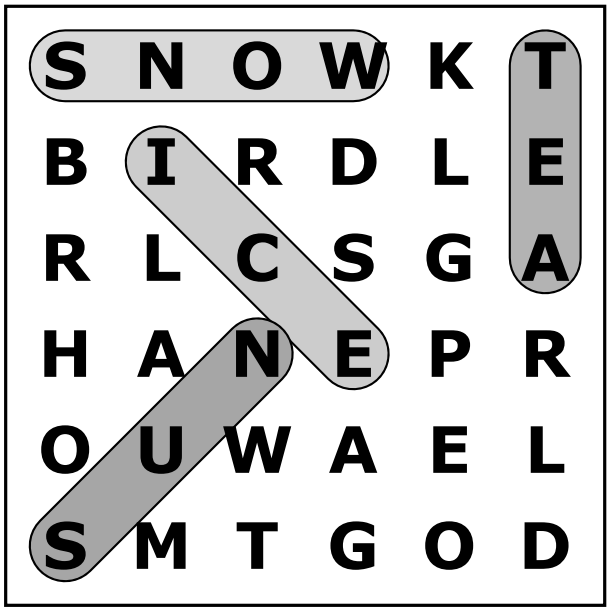

From the book “Winter Word Search for Seniors” by Robbins Marsh

Print as many copies as you like for personal use.

How to Play

Each puzzle has a cozy winter theme and 12 words hidden in the letter grid. Here is how it works:

left to right:
SNOW

top to bottom:
TEA

diagonally down:
ICE

diagonally up:
SUN

No word is ever backwards!

Terms made of two words appear without a space,
for example SNOW DAY appears as SNOWDAY.

Tips for relaxed puzzling

- The first puzzles are easier; they get trickier toward the end.
- A ruler or a card under the row helps your eyes.
- Use a pencil or ballpoint pen, not a marker:
  markers and highlighters bleed through to the next page.
- The top of each page tells you where to find the solution.

Stay warm and enjoy the puzzles!
